Re: *United States v. Mondher Bejaoui, 10 Cr 553*

Dear Judge Stein:

I write, respectfully to request that electronic monitoring be added to Mr. Bejaoui's conditions of release. The individuals who agreed to co-sign have requested this change in order to add another level of security to the bond. Mr. Bejaoui consents to this change in conditions provided that he be permitted to work. I have explained to him that as long as his worked schedule is approved by pretrial services, he will be able to work, go to medical appointments, etc. I have spoken with A.U.S.A. Rachel Kovner who does not object to this change. *Costs of electronic monitoring are waived.*

Thank you for your attention to this request.

Respectfully yours,

Jean D. Barret:
